### 1. Aim of the plan

This plan has been designed to prepare AGW Electronics Ltd to cope with the effects of an emergency or crisis. It is intended that this document will provide the basis for a relatively quick and painless return to "business as usual" regardless of the cause.

### 2. Objectives of the plan

- Understand the critical functions and activities of the organisation.
- Analyse and respond to the risks to the organisation.
- Provide a detailed, prioritised, and timetabled response to an emergency situation.
- Identify the key roles, responsibilities, and contacts to respond to an emergency.

#### 3. Critical Function Checklist

Priority	Critical function	Timeframe	Page
1	Damage Analysis	24hrs	4
2	Action based on damage analysis.	48hrs	6
3	Set up manufacturing premises.	1week to 1month	8

This list may be used as a checklist to ensure that critical tasks are completed on time and according to a pre-agreed priority schedule. It may also be used to provide a hand-over document between different shifts in the recovery process.

#### 4. Command and Control

The decision to use this plan will be taken by the following, who will also be responsible for taking the "difficult" decisions for the organisation overall:

Name	Title	Contact details
Mr Nigel Godwin	MD	AGW Electronics Ltd
Mr Dan Phelan	Director	ETAL Group Ltd
Mr Andrew	Production	AGW Electronics Ltd
Grainger	Manager	
Mr John Walters	Technical Manager	AGW Electronics Ltd

## 8. Emergency Pack Contents

As part of the recovery plan for the organisation, key documents, records, and equipment are held off-site with Nigel Godwin in an emergency pack. This pack may be retrieved in an emergency to aid in the recovery process.

The contents of the emergency pack comprise the following:

#### **Documents:**

- A copy of this plan, including key contact details
- A copy of the insurance policy is kept at IFM Insurance Brokers. (See section 7G for contact details)

#### Records:

- Computer backup tapes and / or disks
- Financial records

## **Equipment:**

- Spare keys
- Torch and batteries

## 9. Actions and Expenses Log

This form should be used to record decisions, actions and expenses incurred in the recovery process. This will provide information for the post-recovery debriefing and help to provide evidence of costs incurred for any claim under an insurance policy.

Date/time	Decision / action taken	By whom	Costs incurred
